Investment Highlights

1) We are terminating coverage on Biopure due to the termination of the research analyst or analysts covering this stock. Our most recent rating on these shares was Neutral with a price target of \$0.20 per share.

Risk Factors

This company is reliant on overall healthcare spending from **government sources and private payors**, and as such is reliant on **federal and state budgetary processes and the overall economy**. In addition, this Company and/or its clients may be **subject to decisions and inspection by the US FDA and other regulatory agencies**. Finally, this stock may **represent more risk to investors than other, larger and more established equities** available in the overall stock market due to the smaller size, relative unfamiliarity of the shares, and greater risk in operating results or need for additional funding underlying this Company.
